

SILLY ROMANCE

Take a chance on romance,
If it's in your soul,
That is the goal,
When your thoughts are scoring,
Your heart is soaring,
Like when it's Christmas time,
Everything is fine,
Love can ease your mind.
Love for each other is so very kind.
Everyday is a treat,
Let's go on a meet and greet.
I'm not a dancer,
But I like Prancer,
He was a romancer.
