

## **Travels of a Bookmark**

The Library has closed  
It is quiet tonight ...  
I'm just marking time  
With great travels in sight ...  
A Bookmark I am  
And a Bookmark I'll be ...  
To travel in books  
All the world I will see ...  
The romantic novels  
The adventurous tales ...  
I've even heard stories  
About a fictional whale ...  
My life of great travel  
Will take many a turn ...  
Travelling through books  
Oh, the things I will learn ...  
It is hard to stand still  
With these thoughts in my head ...  
I'll find comfort in my book  
Before going to bed ...  
The Library has closed  
I'll sleep well tonight ...  
And dream of the travels  
When this Bookmark takes flight.
